Mission

"Savages Wharf will provide owners of power boats and yachts with a professional one stop facility, and the personnel to enhance the enjoyment of owning a boat".

Savages Wharf is the next chapter in the family's 120 year maritime history established in Victoria in 1898, located on the former site of Savage's boatbuilding yard at Nelson Place, Williamstown. Just 15 minutes from the CBD, Savage's will provide Melbourne boat owners an exclusive playground offering a fully serviced yard with modern first class facilities.

We look forward to many fun times and helping you enjoy your boat. Successful applicants will automatically become a member of:
